“The difference between greatness and legendary is hard work and a clean work environment”

Our Clients

We only cater for the best therefore we will cement your trust in us with a list of some of our renowned clients:

- Netcare 911
- Nampak Ltd
- Clover
- Ferrero Rocher
- Capitec
- Skychefs

Why Choose Cleanfellas?

We are renowned for our ultrasonic heat baths, treatments and cleaning as well as our intensely effective chemical deep cleans.

Our staff is trained to fulfill all functions of installing, servicing & maintenance as well as etiquettes of the workplace and ensuring complete client satisfaction.

We have the necessary equipment to avoid damaging property or equipment when working but if the unforeseen occurs then we have insurance cover for faulty work & public liability up to R1m.

We work according to your time schedule, including after hours, public holidays and weekends. Our deep cleans will eliminate major bacteria like e-coli and listeriosis, as proven by before and after swab tests.

Updated and current SARS tax clearance as well as COID letter of good standing available. Safety Files catered for in all industries and site-specific requirements.

Cleanfellas issues certificates for specialized kitchen deep cleans and cleaning of Extractors/Cooker hoods at no extra charge.
